

**NIKITA CHICKITA SWISS TOUR
CRANS-MONTANA
06.03.2010**

Domitilla Mattei and Fanny Andrey won the last round of NCST 09-10 in Crans-Montana !

In spite of the storm 11 girls took part in the last qualifying round of NIKITA CHICKITA SWISS TOUR. The event took place in the snowpark of Crans-Montana (VS) on Saturday March 6.

Because of the bad weather the event took place only on one line : a kicker of 5-6 m followed by a series of boxes and rails (rainbow, c-boxe, down-flat boxe, flat-boxe, flat-dow boxe and wave boxe). The girls had one hour and a half of jam session to decide between one or the other.

The Italian snowboarder Domitilla Mattei distinguished herself with own runs composed of beautiful back 360° on the kicker. With very technique tricks and well styled on the jib Laura Berry, from England, ranked second. The local of the stage, Léa Klaue, joined them on the podium.

The skier Fanny Andrey from Bulle made the most beautiful runs either on the kicker or on the jib. She is followed very close by Nicole Berra and Axelle Marchon.

These six girls are the last qualified for the big final of NIKITA CHICKITA SWISS TOUR 09-10 which will be held in Thyon (VS) on March 20.
